Boating information – Visiting Crews

All non-Cambridge clubs should boat from the Combined Colleges Boathouse compound at Logan's Way and **MUST** get permission to boat from the Events Secretary (see the Permission Form on Page 2 below).

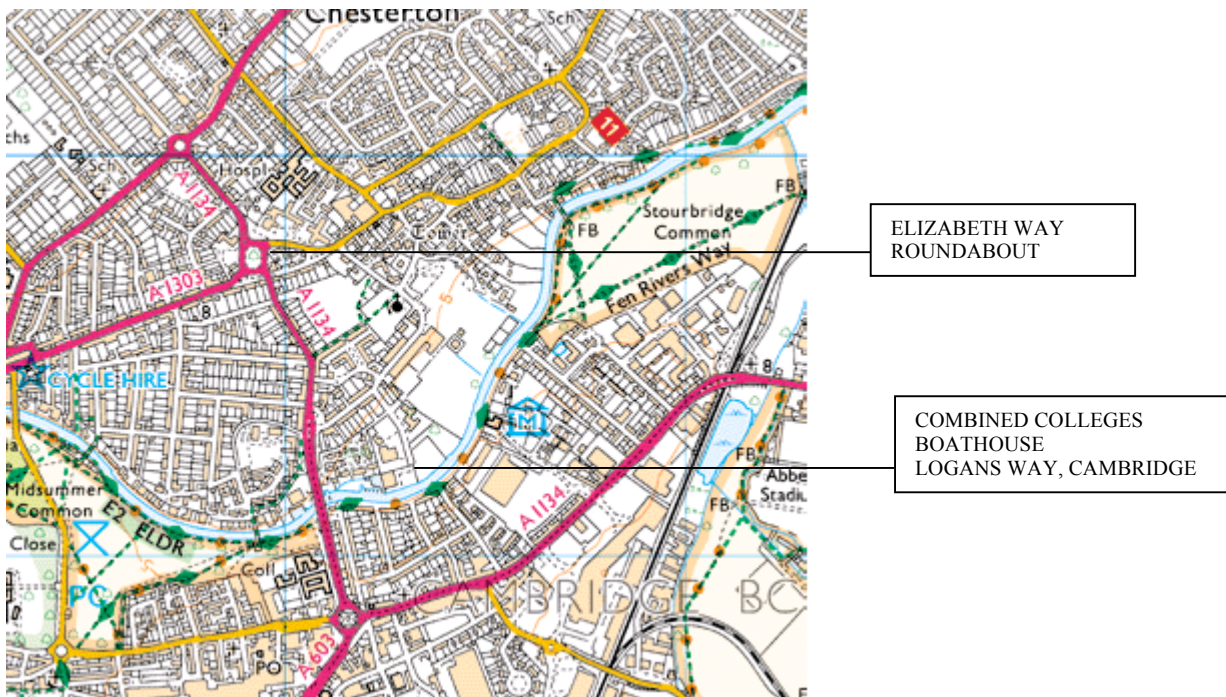

Please park cars in Logan's Way (giving due consideration to neighbouring establishments) - do not park in the compound (this is to allow space for trailers and boats). The compound will be open from 08:30 on race day.

To find Combined Colleges Boathouse (post code - CB4 1BL)

At the Elizabeth Way roundabout (at the end of Chesterton Road on the north side of the River Cam) take the 2nd exit past Elizabeth House (GE company building) heading to Chesterton High Street. Take the first right into Church Street, follow the road (flows into St Andrews Road) and go past St Andrews Church on your right, pass the large white office building (St. Andrew's House) and the Sepura offices (wavy roof). Take the next left into Logan's Way, passing an office car park on your left, and continue to the end of the road - the combined Colleges boathouse compound is through the gates. For visiting cars please park outside the compound to allow vehicles with trailers to park.
